One of the most helpful and popular business websites on the Internet for people looking for jobs and employees is [www.careerbuilder.com](http://www.careerbuilder.com) and the [www.careerbuilder.com](http://www.careerbuilder.com) resume service is one of its most popular tools that people use. Putting together a resume, for some people, can be a trying task. You want to do it right and make a resume that is professional looking and that will compel a prospective employer to pick up the phone and call you for an interview.

The [www.careerbuilder.com](http://www.careerbuilder.com) resume service can be an invaluable tool for people who need a great looking resume. What they will do is allow you to send them your resume and they will provide a critique of it for you. Not only do you get a critique, you will also get suggestions on how to make it look and sound better. These are people who are experts in the business world and know what they want to see on a resume, so using the [www.careerbuilder.com](http://www.careerbuilder.com) resume service can be a terrific resource for the job seeker.

Another great service is the [www.careerbuilder.com](http://www.careerbuilder.com) resume key word analyzer. What this does is find appropriate keywords that prospective employers look for in an applicant's resume and then suggest you incorporate them into your resume so you will stand out more when these employers search on the Internet for employees. The [www.careerbuilder.com](http://www.careerbuilder.com) resume key word analyzer will remember what key words you have searched for in the past and then make suggestions on how you can use those words in your resume.

You can also post your resume at Career Builder Dot Com with the [www.careerbuilder.com](http://www.careerbuilder.com) resume posting service. Because this web site is advertised so heavily, a lot of businesses use the site to look for employees. It helps that they can see your resume right there online. When you use the [www.careerbuilder.com](http://www.careerbuilder.com) resume posting service, you can do job searches that match your skill levels and the site remembers the key words that you searched for.

It is easy to use the [www.careerbuilder.com](http://www.careerbuilder.com) resume services, and it is easy to upload your resume for posting on their site. Just go to [www.careerbuilder.com](http://www.careerbuilder.com) and you will have so many resources at your fingertips that can help in your job search. Once there, you just might find your dream job and realize a career you have always dreamed of!
